## Youth Display Opens Education Week

The Youth Display on Grant Reserve on Sunday afternoon was a success. The attractive spectacle of children marching, dancing and competing in events was witnessed by many Altona people.

The official guests included the Assistant Minister of Education, Hon. J. A. Rafferty and Mr. T. J. Dunstone, District Inspector of Schools, the Mayor of Altona, Cr. P. A. Burns and councillors of Altona and their wives.

This year Altona did not have the almost customary presence of the Minister for Education. Instead, Hon. J. A. Rafferty performed the opening ceremony.

In spite of changing circumstances, the annual education week display has continued on a high and appropriate level.

The Mayor, Cr. Burns, extended a welcome to Mr. Rafferty. He said:

"It is an honour to welcome you to Altona for the fifth launching of Altona Community Education Week activities.

"We have had the Minister of Education here for three years and we are proud to know that this day he has delegated you, the Assistant Minister of Education, to visit us and be our guest of honour.

"It is my duty and privilege on behalf of the Organising community — the Committee Week activities in Altona City community the Committee comprises representatives of the 12 schools of the city and representatives of the Council.

"The joint Chairmen are Cr. Patrick Lynch, who holds the portfolio for Educational Activities in this Council, and the District Inspector of Schools, Mr. Tom Dunstone.

"I officially welcome you and invite you to launch Education Week activities in Altona."

Mr. Rafferty declared the display officially opened. He said he was glad to have the opportunity of being present and expressed his appreciation of the general attitude to education in Altona.

It was too early for him to comment on the coming display of which he had heard much but never seen.

District Inspector, Mr. T. Dunstone, expressed, on behalf of schools concerned, his appreciation of the visit by Mr. Rafferty, and to the Council and others for their co-operation. He also spoke of future possibilities of greater community use of school facilities.

After the assembly of the children at Grant Reserve, a brief programme of events interested the onlookers.

A colorful display of primary children folk dancing was followed by competitive events in tug-o-war, basketball and volleyball. The Altona City Band participated and gave a programme of marching and playing.

At a later function in the Mayor's room before about 120 guests, the Mayor extended a civic welcome to the guest of honor.

The Mayor spoke highly of the place Altona schools had in the City of Altona.

"The theme of the week is 'Education for all Nations,' and it is pleasing to see the number of nations represented today in Altona," said Cr. Burns.

Mr. Rafferty noted that he had been greatly impressed with the whole proceedings. In particular, he stressed the wonderful co-operation between the Council and schools and their staffs, not ignoring the part played by the children.

In conclusion, Cr. P. Lynch, who holds the Council portfolio of Educational Activities, thanked all who had worked to present the afternoon's activities. The Principals and staffs of the various schools and the children who participated.

Cr. Lynch stressed the work done by the organiser, Mr. Bruce Antonoff, of Altona West Primary, who had contributed a most essential part of the day's events.

### SPORTING EVENTS

While the primary scholars had their part in the presentation of folk dancing, the secondary schools competed in spectacular sporting competition.

## "Don't Use Subway" Say Parents

Many parents refused to allow their children to use the Millers Road subway, Mr. V. Clark, President of the Altona North High School Advisory Council, and Mr. Roberts, school Principal, told Altona Council on Tuesday.

The men said that they inspected the subway and found that the walls of the subway were covered with obscenities and some lights were not working.

They were commenting on a report by the Mayor, Cr. P. A. Burns, that students from the school were not using the subway.

Mr. Roberts said that on his appointment to the school in 1968 he directed all students to use the subway, but after finding parents — particularly those with daughters — refused to let their children use it, he had stopped. He said he could not counter their arguments.

He said the Mothers' Club, the Parents and Citizens' Association and the Advisory Council endorsed the idea — in fact a recent Advisory Council meeting carried the motion that children should

## Retiring Councillors Unopposed

Only three nominations, those of the retiring councillors, BURNS, GRANT and LYNCH, were received by the City Returning Officer, Mr. J. W. Waters.

No election will be necessary. The above councillors will continue in office for the ensuing three years.

This is the first year since 1964 in which no opposing nominations have been received. There was, however, no election in 1968 when CR. A. W. BOND made a last minute withdrawal of his nomination on the grounds of ill health.

This is also the first year since 1957 in which Labor has not been represented by retiring councillors or new nominations.

be forbidden to use the subway.

In a letter, written to the Education Department in February, the Advisory Council stated that the walls of the subway were repeatedly covered with filthy language; the subway was often used as a urinal by hotel patrons; and undesirable characters frequented the subway.

"I wish to point out that

supervision of road crossings is not a duty which I, as Principal, am permitted to allot to any teacher," Mr. Roberts continued.

"We believe that supervision of road crossings is a matter for traffic officers or the police."

Mr. Roberts and Mr. Clark said they would be happy to attend a meeting convened by Altona Council or to supervision he could to the Council.

## Photographic Display

Admiring some of the prints from an outstanding display of photographs is CAROL TRAYNOR, of Altona. The collection of winning photographs from an Australia wide competition has been organised by the Altona Camera Club and will be on exhibition at the Altona Civic Hall this Sunday, August 16. The display will be open to the public from 11 a.m. to 6 p.m.

### COUNCIL ELECTIONS

In Altona there will be no election for council this year. All retiring councillors have been unopposed.

Such a state of affairs has few advantages.

It could, of course, be that rate-payers are so satisfied with the ability and actions of their retiring councillors that they do not seek for alternatives, or it could mean indifference and complacency.

Certainly with no elections the work and expense involved will be avoided. Retiring councillors will be relieved of the necessity of justifying themselves and their programme.

But an election is the one opportunity a councillor has to measure the support or disagreement of ratepayers. He may sometimes receive thanks or more likely criticism from the man in his street. He can only know the personal opinion of a few. Only votes can tell him what he should be told.

An election is also the one effective opportunity of the individual ratepayer to express his assent or dissent from the policy and decisions of councillors.

A cumulative no-election practice would lead to a continuous increase in the isolation of the people from the municipal administration.

## ALTONA PREFERRED

It was not generally known but Mr. J. A. Rafferty, Assistant Minister for Education, departed from the usual routine on Sunday last.

Instead of arriving just prior to the opening ceremony of Education Week, Mr. Rafferty, on his own initiative and without the knowledge of local authorities, made an inspection of various parts of Altona.

Apparently, after about an half hour's tour, he was most impressed. He was also impressed with the children's display and the general organisation. Of these, he said he could not speak too highly.

Mr. T. Dunstone, District Inspector, told Cr. Pat Lynch that Mr. Rafferty had remarked that he had previously formed an impression that Shepparton was the most progressive community in its regard for education.

But after Sunday's display in Altona, he was inclined to change his mind.

## 1st Altona Scout Group

A special function was held last Thursday to farewell two past scouts, Mr. R. Tyrell and Mr. J. Mason. The Mayor of Altona, Cr. P. A. Burns, and the Lady Mayoress, Mrs. Burns, were among the guests whose support helped to make the evening a success.

There still exists in the troop some vacancies for Scouts and Senior Scouts. They meet at the Scout Hall, Civic Parade, on Tuesdays at 7.30 p.m.

## Elderly Citizens' Dance

The next monthly dance at the Altona Elderly Citizens' Club will be held this Saturday, August 15, from 8 till 11 p.m. Entrance charge is 30 cents and a good supper is provided. All dancers welcome.

## BROOKLYN WEST PRIMARY SCHOOL

The Mothers' Club annual fête will take place on Saturday, August 15, commencing at 10 a.m.

Members have worked very hard over recent weeks to provide numerous goods which will be on sale at most reasonable prices.

Stalls will be laden with groceries, cakes, plants, knitting, fancy goods, clothing and hot food-stuffs. Pies, pasties and hotdogs will be available. For the children, there will be fairy floss, toffees and milk shakes to buy, competitions, lucky balloons and hay-rides. Tea and coffee will be available, and everyone is welcome to call in to the school to support the 1970 Mothers' Club fête.

So much effort has been put into the preparation by members in the interests of the children and it is felt that a good response on the part of parents is well deserved.

Plans are well in hand for a dinner dance to be held at Altona Civic Centre on Saturday, September 12. This function promises to be a social highlight and proceeds will go towards the new central library which is nearing completion.

The School's Choir participated in the Western Suburbs Combined Schools Music Festival held at Williams-town Technical School Assembly Hall on Monday, August 3. The children were trained by Mrs. Lowett and Miss Lobb and Mrs. C. Hillier gave splendid assistance in her role as pianist.

Open Day for Education Week will be held today, Wednesday, August 12, when the School will be open to visitors from 1.30 to 3 p.m. and from 7.30 to 8.30 p.m. in the evening. The latter session is chiefly for those parents who are unable to attend the afternoon session.

## 4th Altona Scouts

This Saturday, August 15, is the day that Scouts and Cubs will be calling on the residents of Altona to offer for sale at 40c a carton of best quality yellow box honey.

Proceeds from these sales will go to the Group funds. Please support the Scout or Cub who calls at your door.

## Council Approve Application

Altona Council has approved an application by H. and A. Oberegger, Rose St., to build four additional flats on their property.

The council's permission includes the proviso that the flats must not be occupied until they are connected to the Board of Works sewer and the car park and accessways have been completed.

An application by Mr. N. Athanastasio, Queen Street, to develop a two-storey block of nine flats in two stages has been refused.

Mr. Athanastasio told council he had already been granted a permit to erect the flats, but sought permission to live in a house at present on the property while the first section of the block was completed. He said the house would then be demolished and the project completed.

## MELBOURNE LADIES' WELFARE SOCIETY

Earnest Altona workers are striving for support toward the Melbourne Ladies' Welfare Society appeal for \$200,000.

This Society began 125 years ago when the women of the congregation of the Scots Church formed the Presbyterian Female Visiting Society.

They gave calico to make tents to the families arriving from Britain, and visited the women left alone to care for the children whilst their husbands were working far afield.

In 1859 the Society opened its first home for lone women who were able to take in work to help support themselves and the home.

Members of the Society visited and did welfare work in the town on Collingwood Flat, Collingwood, and Richmond, Batman, Emerald Hill and Canvas Town.

Soon a number of institutions and churches became connected with the Society and it was renamed the Melbourne Ladies' Benevolent Society.

Now known as the Melbourne Ladies' Welfare Society, it operates in the City, East Melbourne, Carlton, Altona, Parkville, Fitzroy and North and West Melbourne.

In 1957, "Ravenswood," in Ivanhoe, was purchased by the Society to accommodate women who were looking for cheap "single-room" accommodation.

Occupants paid either 7/10 of their pension or according to their means.

Now the Society wants to double "Ravenswood" accommodation and build a wing which can provide full-time nursing care so residents do not have to leave the home if they become chronically ill.

In Altona, members each year deliver blankets for the "Herald" Blanket Appeal. Large sums of money are spent annually to help families in need.

Anyone wishing to help the work of the Society may send donations to the Melbourne Ladies' Welfare Society, 443 King Street, Melbourne. Donations of \$2 or more are tax deductible.

## Historical Society Annual Meeting

The Annual Meeting of the Altona Historical Society will be held in the Society's room at the "Homestead," 128 Queen Street, Altona, at 7.45 p.m. on Wednesday, August 19.

Visitors from other Historical Societies have been invited and Altona residents and other interested persons are welcome to attend.

A General Monthly meeting will follow the Annual Meeting and after discussion in which all will be invited to join, supper will be enjoyed.

The members of the Society will open their Museum this week on Sunday, August 16, from 2.4 p.m. for inspection by visitors.

## A HOT CHASE

Lucky Altona residents might have been reminded of the old moving picture days in happenings in the western suburbs recently.

A local barman had a ring from his wife at their home, that two suspicious prowlers were outside.

He hopped in his car and literally tried to fly home. However, the police were not sympathetic, they flew after him to catch him for speeding. They caught him as he pulled up in front of his home.

Just in time for the police to arrest some men who were then crossing the front lawn.

## DRAMA GROUP

The activities of an amateur Drama Group are many and varied and is an avenue open to all people to explore their tastes and to expand their interests.

The thrill of being on stage and knowing that the audience are enjoying themselves can only be experienced to be appreciated.

On the stage side of the activities there is the production of play readings, short one-act plays, and the main three-act plays, all ranging from comedy to the serious.

On the other side there is the technical support of a stage manager and lighting technician, make-up and others.

Next Monday, August 17, at the Drama Hall, Railway Street, a committee meeting will commence at 7.30 p.m. followed by the regular meeting with play readings.

Anyone interested is invited to attend any meeting. For further information contact the Secretary, Mrs. Shanks at 398-1535.

## PRIMARY SCHOOLS SOCCER

A fine but windy day heralded in the semi-final and final of the Education Week Cup and Harry Kim Trophy for primary school soccer teams.

Altona East again had the good luck to be picked out of the hat and had a bye into the final.

Altona North, the out and out favourites, chose to kick with the wind and had Altona immediately on the defensive.

However, by playing off-side tactics Altona, to the surprise of everyone broke down many of North's attacks.

With ten minutes of the first half left an Altona defender headed past his own goalkeeper from a corner kick resulting in a one goal lead for North.

In the second half Altona attacked with the wind and North, in an effort to hold on to their slim lead were content to just put the ball into touch all the time.

An Altona forward, breaking through North's defenders, was brought down in the penalty area and from the resulting spot kick Altona notched their first goal.

With second of the game left Altona clinched the game with a goal from a header.

After a short rest Altona then took on Altona East in the final.

East, kicking with the wind, could not penetrate Altona's defence and much to the delight and amazement of the spectators it was Altona who broke away and chalked up the first goal.

Excitement ran high as the second half started, and Altona ran out winners by 2-0—a worthy effort from the underdogs.

The Cup was presented to M. Vanderpoel (captain), trophy to P. Neyland (vice-captain) and medals to each member of the winning team and runners-up by Altona East schoolteacher Mr. Fenning.

The many parents who braved the elements were well rewarded by the wonderful performance all the youngsters displayed.

In a practice game Seaholme beat Altona West. Seaholme, lying second in the League with one game in hand, are starting to hit their form at the right time and could cause some further upsets in the League.

The League's 5th round is on again this Sunday at 11 a.m.

# Apexians Retire

Apexians GEOFF O'CONNOR (centre) and JACK FOSKETT (right), who have reached the Apex Club's compulsory retiring age of 40, receive their passing out certificates from new Apex president GEORGE KILLINGBACK.

## GEORGE KILLINGBACK PRESIDENT OF APEX CLUB

At the annual Apex Club of Altona hand-over night on Monday of last week Jack Carroll having completed his year of office stood down for the new president, George Killingback.

Members and their ladies were at the dinner at Koorringal Golf Club to witness the brief but significant ceremony.

In addition were visitors including the Zone President, Mr. Lyndsay Symons, the Mayor and Mayor-elect, Cr. Pat Burns and Mrs. Burns, Miss Altona Apex Ellen Barrow, Miss Altona Charity Queen Anne Kersley, Mr. and Mrs. C. Trickey of the Lions Club and several old Altona Apexians.

The ranks of the latter were augmented when Jack Foscett and Geoff O'Connor having reached the retiring age of 40, received their passing out certificates.

The new president George Killingback received congratulations from retiring president Jack Carroll and Zone President, Mr. Symons. He spoke appreciatively of Altona Apex and the contribution being made to Apex generally.

Cr. Burns expressed his pleasure at being present and he particularly referred to the Apexians' effort at Apex Park now handed over to Council.

Now in its tenth year Apex has a fine record in Altona.

This year's annual report showed a slight decrease in membership but some imaginative service projects were carried out successfully.

Starting with the schools public speaking competition, there was the garden competition and Apex Park culminating in Miss Altona Apex and Charity Queen contests. The caravan raffie raised \$1,670 for the Altona Hospital.

Most emphasis was placed on community service but other aspects of Apex include debating and public speaking in inter-club activities, international relations are kept under consideration and negotiations have almost been finalised in sponsoring a family from Northern Ireland.

On the 23 dinner nights held there were various

The Church is particularly concerned that members who have moved out of the area should receive an invitation and asks anyone who has a person or family in mind that they think should be informed of and invited to the Opening to let the Vicar (398-1005) or Bruce Mellington (24 Stanley Street) know their name and address as soon as possible.

## Bibby - Simmons Wedding

—Photo by courtesy of Barry M. Sutton (397-6017). Pictured after their marriage at Holy Trinity Church, Williams-town, on August 1 are Mr. Richard William Bibby and his bride, the former Joan Evelyn Simmons, eldest daughter of Mr. and Mrs. V. Simmons, of Millers Road, Altona.

A gown of crystal organza with nylon lace was worn by the bride and her fingertip length veil was held in place with white roses. Her bouquet also was of white roses.

She was attended by her sister Rhona, Barbara Bibby (the groom's sister) and Catherine Cotzabuyuca who wore frocks with white chiffon bodices and crimson satin skirts.

Flowergirl was another sister, Anne Simmons, whose satin and nylon tulle frock was trimmed with crimson buttons and sash.

The groom, the youngest son of Mrs. Hilda Bibby and the late Mr. J. Bibby, had his brother Gordon as best man and the bride's brothers, William and Edward, were groomsmen.

A reception for 70 people was held at the Altona Youth Club Hall. The attractive wedding cake was made by the bride's mother and decorated by the bride.

A pale blue crimplene ensemble with black accessories was worn by the bride when the couple left the reception to start for their honeymoon destination at Buderim in Queensland.

## Val's Column

HELLO GIRLS,

Have to mention this, girls. There have been a few ladies worried because all of a sudden their makeup is "caking" on their face—turning orange. What can they use?

Yes, burning orange is a sign of excess acidity, change to using a more helpful toning lotion—a lotion that will equal the acid-alkali balance.

But in the cases that have occurred lately it could be seen that the same colour foundation and powder are being used now as all through summer. Now I think there are very few of us that can do this, we have found the need for a lighter and a darker shade through the seasons. One cunning way to overcome this is to use Demi colours, or Translucents of Revlon, or Natracolours, or Translucents by Cyclax. As these names suggest, they are see-through—therefore our summer or winter colouring blends with the makeup.

While on this subject of a tone-up or drawn in colour, think back—how long since you tried a new "finish" in makeup? Is Mum still using thick liquid base under her powder? Guarantee if she changed to a Roll On or Demi of Revlon or the fine texture of Cyclax liquid there would be an immediate change for the better. Have you at some time or other used tube makeup? An all-in-one coverage. Apply to an area at a time—as thick or fine as you prefer. Yes, and there is no reason why you cannot dust over with powder after, but you will find there really is no need. Creme Sauffe by Revlon is another quality of this same style.

Stick Makeup in several forms is another—Pan Stick applied in strokes, Indian fashion, to five facial points, then smoothed out with the fingers or a just moist sponge. Gleamer or Frosted Gleamer Sticks to give a shiny finish, or shiny highlights. With or without under makeup.

Mr. Mason was returning home after attending a committee meeting of retired railwaymen held at the Flinders St. building.

He was taken by ambulance to the Footscray Hospital and found to have a fractured pelvis, broken wrist, large cuts on the legs where many stitches were inserted, and abrasions to the face and body.

Mr. Mason, although 77 years of age, takes a prominent part in local clubs. He is a past president of the Newport Elderly Citizens' Club, vice president and a life member of the Williams-

## THE CURTAIN RISES

By THISBE

One of the advantages that result from membership of a local club is the group of acquaintances that are made.

Newcomers to a town miss the feeling of belonging that they had at their old address.

To the housewife a cheery wave or a smile of recognition while she is shopping may change her attitude of mind and make her feel important in her new neighbourhood.

The Williamstown Little Theatre is ideal for the whole family.

There are group activities such as scenery painting and building, there are opportunities to act, to help backstage and various jobs suited to older members of the family.

There are social occasions such as the Slide Night "With Debbie Through Europe," on Saturday, August 22, at 8 p.m., when the whole family can enjoy a trip through Europe with Nell and Alec Colville.

This Saturday (August 15) at 3 p.m. the Children's Theatre is staging "The Pied Piper of Hamelin." This is their last production for 1970.

Other members of the family might like to join the Theatre Workshop on Wednesday night where they will be welcomed by Peter Curtis.

Membership of the Williamstown Little Theatre is very reasonable for \$2.50. A member has the use of the library, the right to act in a Little Theatre production and receives an invitation to all Little Theatre activities and the monthly news sheet "Cues and News."

## Williamstown High School

Restoration of the burnt out section of Williamstown High School has been given top priority.

The president of the Advisory Council said this week he had been informed of the decision by the Acting Minister of Education, Mr. Rossiter.

Parent and teacher nights have replaced the usual Education Week Program. The night for the Senior Forms was held earlier in the year and for Third and Fourth Forms on Monday this week.

Parents of Forms I and II will meet on August 17. These nights give the parents a chance to discuss with the teacher all aspects of student problems.

Last Friday students were allowed to wear clothes of their own choice provided

they brought a grocery line to help stock the stall for the Annual Fete.

The parent bodies of the school thank all parents who sent along groceries on this very successful day. The students also enjoyed the day.

The next meeting of the Parents and Citizens' Association will be held on August 19. Guest speaker, Mr. John Wilson, a Guidance Officer from the Education Department, will talk on the problems of Adolescence. The meeting will be held in Room 33 at the school starting at 7.30 p.m. All welcome.

Readers are reminded to save their papers for the next Paper Drive which will be held on the last Saturday in August.

# ROYAL LIFE SAVING SOCIETY'S ANNUAL REPORT

The sixty-sixth annual report of the Royal Life Saving Society, Victoria Branch, shows a decrease in the number of life saving awards gained compared with last season, changes in most of the senior executive positions and further substantial grants to life saving clubs from the State Government's Building Fund.

Sir Murray Porter, MLA, resigned his position as President of the State Branch of the Society after 13 years as he has been appointed to represent the Victorian Government in London as Agent-General.

The Society is fortunate to gain the services of the Honourable Lindsay Thompson, MLA, as President. Mr. Thompson is Minister for Education in the present State Government.

Mr. Ernest A. Pleydell, MBE, JP, was forced by ill-health to resign at Honorary Secretary after serving the Society for 37 years — a truly great record.

Mr. K. J. Shields has been elected Honorary Secretary. He has been a member of the Aspendale L.S.C. since 1952 and has held several executive positions with that club and also with the Society.

The tragic death of the Chairman of the Victorian Council in February, Mr. Les Errey, was deeply regretted by all who knew him.

Mr. Errey was Chairman from 1963 and gained many honors, including the Service Cross, Recognition Badge, Life Governor and Vice-President of the Victorian Branch, Chairman of the Australian Instructional Board and holder of the Meritorious Medal.

Mr. Errey had been a member of the Esplanade L.S.C. since 1927.

Cr. Maurie Partingale, JP, has been elected to the position of Chairman of the Council. He holds several positions with the Society, including Representative on the Australian Council, Chairman of the Finance Committee, member of the Judges' Board, Vice-President of the Victorian Branch and has gained several honors, including the Service Cross and Recognition Badge.

The decrease in the number of awards gained from 44,712 last year to 39,334 is probably partly due to the very poor swimming weather which was experienced for a great part of last season. The previous summer, of course, was a very exceptional one.

Despite a continued shortage of senior members, Altona LSC increased the number of points for awards gained from 178 in 1969 to 251 last season. This enabled the club to lift itself from 20th position amongst Life Saving Clubs in the Premiership Club Championship to 12th — an effort calling for praise, both to members and also the Chief Instructor and his staff.

In the premiership competition for the W. P. Hales Shield, open to all affiliated bodies, the Victoria Police once again finished in first position with 9,717 points, HMAS Cerberus being second with 5,071 points.

Over 900 clubs, colleges and schools participate in this competition. Brighton Grammar and Geelong Grammar finishing third and fourth with 1,577 and 1,487 points, respectively — real praiseworthy efforts.

It is regrettable that Altona schools appear to be apathetic towards the gaining of Life Saving awards. Seaholme Primary School had the best results with 50 points, Altona P.S. were next with 39 and Altona West P.S. 28.

None of the High Schools or Technical Schools appeared on the list.

In the club premiership competition for the W. F. Henley Shield, Mordialloc L.S.C. finished first with 1,317 points. Last year's winners, Williamstown, were well down this year with 686 points in sixth position.

RESCUES AND FIRST AID During the year 68 rescues were effected by Life Saving Club Patrols. Of these, 14 were in the Murray River at Mildura and 3 in the ocean at Wonthaggi. The remainder were made by bay-side clubs, including one by Altona L.S.C. Over the past 11 years 919 rescues have been made by life savers.

A total 1,648 first aid cases were treated of which 162 required medical attention. Altona treated 33 cases, 4 requiring medical attention.

Only four cuts caused by broken glass were treated, proving once again the value of Council's Operation Beach Clean Campaign.

Thanks are extended to all organisations and individuals who took part in this very worthwhile effort.

## DROWNINGS

There was an increase in the number of deaths from drowning in Victoria from 94 to 110. Of these, 25 were children under the age of 7. These are recorded as "caused by neglect."

It is the duty of parents to ensure that their children are taught to swim and that they are not left on their own when bathing in the sea, pools, rivers, lakes or dams, etc., until they are competent swimmers.

## BUILDING GRANTS

Grants totalling \$15,000 were recommended by the Branch Council for 1970 from the State Government Fund. Since the Fund was created in 1965, 31 clubs have received grants totalling \$84,991. Six clubs have received the maximum of \$6,000.

Altona has received a total of \$1,511. To obtain assistance from the Fund, clubs must raise \$1 for each \$2 granted by their own efforts.

## HONOURS

Mr. J. Byrne has received his award of the Service Cross recommended by the Victoria Branch to the Commonwealth Council in London.

Recommendations for a bar to the Recognition Badge to Mr. R. Edwards and the Certificate of Thanks to Mr. G. Shanahan have been forwarded by the Victoria Branch to the Commonwealth Council.

The Victoria Branch Associates' Badge has been received by Mrs. M. Mellett.

## CLUB MEETING

The monthly Executive Meeting was held on Tuesday, August 4, Mr. R. Edwards presiding.

Mr. J. Byrne and Mr. S. Jeffrey both spoke highly of the conference convened by the Melbourne and Suburban Beaches Association at the Victoria Hotel, Albert Park, on Sunday, August 2. Seven members from Altona attended.

Demonstrations on all aspects of life saving were given and several films on first aid and life saving were shown.

One film on first aid, given to accident victims, was so stark that several of the audience had to leave the room.

# MARCHING GIRLS REFORM

West Newport Flamingoes, who were Australian Champions in 1964, 66, 67, 68 and runners-up in 1969, have reformed to contest the Australian titles in Brisbane (the only capital city in which they have not competed) in 1971.

This season they are again to appear as a senior grade team and will meet strong opposition from teams such as Frankston, Melbourne Pioneers and the up-and-coming Braybrook team, also a new team to appear in the senior grade, the Fawkner RSL team, who have, like the Flamingoes, won national titles both as midjets and juniors and are now attempting to equal the Flamingoes' record of having won in all three grades.

This should prove a most interesting contest season as the instructor of Fawkner is the Victorian Chief Instructor, while the instructor of the Flamingoes is the Australian Chief Instructor.

The Flamingoes urgently require six girls in the 16 to 22 year age group, preferably experienced, sports-minded girls to supplement the team.

Any girls who is interested is asked to ring 391-3739 as soon as possible for further details.

# Local Players In State Rugby Titles

■ Caught in action above: WALLY SENDENKAY tackles PHILIP LITTLEWOOD (Under 16, Altona North Technical School), at the Victorian Junior Rugby Union competition last Saturday.

More than 700 young Rugby Union players took over the playing fields at Scotch College last weekend. A total of 107 teams in age groups ranging from Under 10 to Under 18 competed in the Victorian Schoolboys' championships. Twenty-seven clubs and colleges competed.

It was the biggest show of strength that Rugby Union has put on in Melbourne. More and more schools are starting Rugby teams for their pupils who prefer it to Australian Rules. Altona North Technical School, St. Paul's College, Williamstown Technical School and Altona Ramsdens are local teams being fielded on Saturdays in the West Gate Rugby competition.

## WESTERN SUBURBS TABLE TENNIS

(ROUND 14)

### B1 GRADE

Top teams, Brooklyn (B. Watson, M. Singleton, R. Hewitt) and F.T. Carpets (D. Taaf, R. Gregor, R. Scerri) met in a vital clash in Round 14.

Brooklyn narrowly defeated Carpets 6-5 in a high-standard game worthy of a final.

Barry Watson regained top form to win all 3 rubbers and Max Singleton produced his best form of the season to win 2 rubbers.

Carpets best player was Rudi Gregor who won 2 rubbers against strong opposition.

AGM (D. Faust, R. Blythman, W. Rosenzweig) regained top position when they comfortably defeated Avondale Heights Youth Club (R. Brookfield, B. Scott, I. Gribble) 8-3.

Dianne Faust, in superb form, was AGM's best player, winning 3 rubbers. She was ably supported by Ray Blythman who won 2 rubbers.

Avondale's best player was Robert Brookfield who won 2 rubbers and teammate Bryan Scott won 1 rubber.

Centre (J. Wylie, D. Doyle, T. Nichols) had no trouble in accounting for Westerners, who were represented by Frank Brown only and won 10-1. Jack Wylie and David Doyle won 3 rubbers each for Centre and Westerners' only win was when Frank Brown defeated Tom Nichols, 21-18, 22-20.

### B2 GRADE

Reckitt & Colman (T. Powell, J. Jennings, A. Evans) retained top position when they crushed Seaholme 9-2. Ted Powell continued his fine form with another 3 wins. Teammates Jack Jennings and Alan Evans won 2 rubbers each. For Seaholme, Bill and Ted Simmons could manage only 1 rubber each.

Rheem (W. Kinder, W. Stys, T. Czerniecki) and B.A.T. (A. Clarke, J. Burley, T. Flynn) met in a match that was to decide third and fourth position on the ladder. Rheem scraped home 6-5 when in the vital last rubber Wolf Kinder defeated Terry Flynn 21-23, 21-14, 21-19. Wolf Kinder was Rheem's best player, winning 2 rubbers and figuring in two winning doubles combinations with Ted Czerniecki and Wally Stys, respectively. B.A.T.'s best players were Andy Clarke and J. Burley who won 2 rubbers each.

Ballarat Road Methodists (R. McInnes, A. Richardson, D. Woodyard) had a narrow escape against a determined W. G. Goetz combination and won narrowly at 6-5.

Bob McInnes was an inspiring player for B.R.M., winning all three rubbers. Teammates Alby Richardson played well to win 2 rubbers.

### C1 GRADE

With the finals one week away, Outlaws (W. Borkut, F. Bisset, P. Gates) had their finals hopes dampened when they were narrowly defeated by Snappers (J. Catchpool, P. Morris, B. Smith) 5-6.

John Catchpool was Snappers best player, figuring in 2 singles wins and two winning doubles combinations.

Wal Borkut was in great form for Outlaws, winning 3 rubbers in good style.

Kingsville YMCA, R. Pimblott, C. Thomas, J. Sherman) comfortably defeated Oliver Davey 8-3 and remain in second position.

Chris Thomas and J. Sherman were matchwinners for Kingsville, winning 3 rubbers each. Liston, Cole and Street won 1 rubber each for Oliver Davey.

Reckitt & Colman (P. Berry, R. Wendt, E. Drewry) moved into third position when they defeated Explosives 8-3.

Pat Berry and Robert Wendt were in good form and won 3 rubbers each, whilst for Explosives, Greg Foran and Don Adams won 1 rubber each.

Grieve Highway (F. Murphy, N. Wynn, G. Lewis) had a bye and remain on top of the ladder.

### D1 GRADE

Newport Post Office had a sensational 6-5 win over the previously undefeated leaders, Avondale Heights Community Youth Club in the final round.

In Newport's best win of the season, Col O'Brien and Ron Dalrymple scored well with 2 rubbers each and John Freeburn 1 rubber, whilst for Avondale Heights, Keith Bedalla was unbeaten with 3 rubbers and Herbie Schwarz 1 rubber. However, Avondale Heights suffered a severe blow when Herbie sustained a broken collarbone playing football for his club and will not be available in the final series.

Avondale Heights Community Youth Club suffered another loss when there No. 2 team lost 4-7 to McKenzie & Holland. However, no change took place in the final four position, and in the first semi Avondale (1) play McKenzie & Holland and Avondale (2) play Newport Post Office in the second semi.

Ballarat Road Methodists finished the season with a 7-4 win over F.E.W. (Ron Fowler, Phil Ward, Eugene Tabaka).

Each of F.E.W.'s players won one rubber, whilst for B.R.M. Noel Thomas and R. Brunt won 3 rubbers each.

Union Carbide (Harry Hepburn, Gordon Morris, Jock O'Brien) defeated Brooklyn (John Gzudka, Doris Harvey, Frank Kennedy) 7-4 in a most exciting game.

Harry Hepburn was the star of the match with 3 rubbers, and for Brooklyn Youth Club, John Gzudka was their best player, winning 2 rubbers.

### D2 GRADE

Williamstown Youth Centre (Peter Reitman, Frank Milton, Barry Harrison) had a fighting 6-5 win over Esso Tigers B (T. Lloyd, David Evans, Joe Ricketts).

Joint aggregate leader Joe Ricketts starred for Esso with 3 rubbers, whilst for Town, Peter Reitman and Barry Harrison played well to win 2 rubbers each.

Esso Tigers A showed good form when they lost 4-7 to Newport Post Office.

Stephen Brown won 2 rubbers and Jim McKenzie 1 rubber for Esso, and for Post Office J. Sherman and Bernie Fox each won 3 rubbers.

### E1 GRADE

Although Seaholme (Stan, Julie and Susan Jeffrey) lost 2-9 to Bertrams, they hold fourth place in the four by 4 rubbers from St. Albans.

St. Albans was the unlucky team in E Grade as they

played most of the season with 2 players and they produced their best form for the season when they surprisingly defeated second team St. Andrew's 7-4. Stephen Fellows was in good form, winning all 3 rubbers.

St. Mary's A, by defeating Ixer Social Club 6-5, retained third place, and unfortunately for Ixer forced them down to sixth place.

In the battle of the wooden spoons, St. Mary's B defeated Triangle 6-5 in an interesting match. Best player of the match was George Holowko with 3 rubbers.

### E2 GRADE

Melbourne Teachers' College (Agnes and Robert Veltmeyer, Bill Dutney) defeated second place team Avondale Heights Community Youth Club Red 6-5 in what was their best win for the season. Best player of the match was Robert Veltmeyer of MTC with 3 good wins.

Scots (J. and E. Robertson, Stephen Bransgrove, Gary Harper) defeated Williamstown (Greg Young, N. Fowler, Brian McKinnon, N. Fowler) 6-5, winning all 3 rubbers.

### SUMMER PENNANT

1970-71

With a most successful winter season, drawing to a close, entries are invited for grades A to E, and a novice grade for absolute beginners.

If sufficient entries are received the WSTTA will conduct an age group competition for boys and girls playing in a term competition which will be conducted either on week nights or Saturday afternoons, and any youth groups or individuals interested should contact the Secretary, Ray Blythman, 391-1205 home, or 391-2211, ext. 125, business, or 60 Mason Street, Newport.

## SONS OF THE VEGETAL MOTHER ARE MELBOURNE'S NEW WEAPON

The battle goes on between Sydney  
and Melbourne for the top pop capital in  
Australia.

At the moment the scene has shifted to  
Sydney, but things will soon be back to normal  
here in Melbourne because big new things  
are happening.

Not the least of these things is a brand  
new group called Sons of the Vegetal Mother.

The Sons have just been  
formed as a new Australian  
super-group and they will  
stick primarily to concerts.

They have already made  
an appearance at Berties and  
the reception they were  
given there was so good that  
they were immediately given  
a \$200 return spot booking.

Their material is all origi-  
nal and this is not surprising  
when one considers the line-  
up.

Singer-composer Ross Wil-  
son and organist Trevor  
Griffin were both with Pro-  
cession in England.

Ross Hannaford and Mike  
Rudd were both with Ross in  
Party Machine, but more re-  
cently they have played with  
Quinn and Spectrum.

And drummer Gary Young  
and bass player Wayne Dun-  
can were in the Ram Jam  
Big Band amongst other  
groups.

The group will concen-  
trate on concerts and inter-  
state gigs.

In fact they hope to play  
interstate gigs every week-  
end and that is not impos-  
sible because this group has  
talent.

The Sons decided to enter  
the 1970 Battle of Sounds  
at the last minute as a joke.

They placed fourth and  
that is a fantastic effort  
when you consider that the  
group had only been in ex-  
istence a few days.

The Sons will play many  
of Ross's own compositions  
like "Love in an FJ" and  
"C'mon Baby Let's Eat".

And fellow musicians will  
be invited up on stage to  
jam on with the Sons just  
like the Plastic Ono Band  
and the Bonzo Dog Doo Dah  
Band do overseas.

Peter Andrews and the  
LET IT BE entertainment  
agency are handling all  
business for the group and  
Peter featured them at his  
T.F. Much Ballroom dance  
last Saturday night.

The Ballroom also fea-  
tured acts like Gerry and the  
Joy Boys, Lipp Arthur, The  
Captain Matchbox Whoopee  
Band, Adderley Smith Blues  
Band and Margaret Road-  
knight.

The Ballroom is situated  
at Cathedral Hall, Bruns-  
wick St., Fitzroy, just off  
Victoria Pde.

Other groups featured in-  
clude Jeff Crozier's Indian  
Medicine Magik Show and  
Spectrum.

But getting back to The  
Sons of the Vegetal Mother.  
I think they could be the  
start of the lift in Mel-  
bourne's depressed pop  
scene.

They are saying that the  
record ban will not last  
much longer and new dance  
venues are opening all the  
time.

It will only be a matter  
of time before things are  
back to normal and groups  
like the Sons of the Vegetal  
Mother will ensure us of  
this.

And I think you can start  
to wave goodbye to discote-  
ques.

From now on it will be  
live open-air concerts and  
huge ones at that.

And discoteques will be  
replaced by dances in hotels.

Because in places like  
Sydney and Brisbane all the  
discos are actually hotels  
that change format on a  
Friday or Saturday night.

## Behind The Scene

Drum agency has two  
fairly new groups in Wizard  
and Luntch.

Playing organ for Luntch  
is Randall Bourchier for-  
merly of CLACK.

Will Les Gilbert (ex Wild  
Cherry) return to the scene  
as a bass player?

Mike Gudinski has plans  
for a pop festival on Cup  
Day. Bet he uses BULLDOG.

Glenn Wheatley's fans  
have been ringing up asking  
for Glenn's address. All let-  
ters to the Masters Appren-  
tices can be sent to London  
via "Weekender" news-  
paper.

One of our favourite  
groups these days is the  
GUESS WHO. What a  
mysterious name.

With better management  
I think Ida May Mack could  
go places. Don't quite know  
where though.

Rifle Club Hotel could be  
featuring more pop soon.

Billboard has lost a drum-  
mer.

Seems to be a drastic  
shortage of drummers these  
days.

When will Mike Jeffries  
open those new venues?

It appears the jazz nights  
at Piccolo Mondo on Wed-  
nesdays are not drawing the  
big crowds that were expec-

ted. Guess there are no jaz-  
zers left in Melbourne.

Will Mike Gudinski really  
bring Janis Joplin to Mel-  
bourne?

Stan Rofe loves Creedence  
Clearwater Revival and so  
do all the other rockers.

## Pop Night At Working Men's Club

The Altona Working  
Men's Club will go pop on  
Friday night, August 21.

Guest group for the night  
will be THE EXIT.

Admission is by ticket  
only and tickets are obtain-  
able from members of the  
Club's younger set.

However, all attending  
must be at least 18 years of  
age.

## Gossip

Believe Terry held another  
party on Friday night.

Bibby has a new shirt.  
Very nice.

John has a new car.

Chris and Tom will not  
take Johnny to Eden so he  
will go on his own.

We cannot wait until  
summer to see the good old  
Altona boys in their black  
shorts.

Grand anniversary for the  
foursome.

Shelley and Deborah have  
changed their hairstyle at  
last.

Cannot wait to see this  
G. and S. opera.

Brian Kerle will run  
another dance at the Youth  
Hall soon.

The Blue Echos are fans  
of Footscray and Bibby is a  
fan of the Blue Echos.

# Williamstown Earn Under 16 Pennant Attempt

By WARDEN JAMES

**Williamstown earned the right to play off against Altona for the Western Suburban League Under 16 premiership flag when they soundly defeated Devon Park in the preliminary final last Saturday.**

**With a completely re-organised line-up to the one that was found wanting against Altona in the second semi-final, Williamstown proved too big and strong for Devon Park.**

**They led from go to whoa to win 16-13—109 to Devon Park 5-8—38.**

Williamstown will now meet Altona in the grand final at Newport on Saturday — their second grand final appearance in three years.

For Devon Park it was the first time they had advanced past the semi-finals in five attempts. They had previously been beaten in first semi-finals in 1965, 67, 68 and 69.

Both Altona and Williamstown have two wins each from four encounters this

season, so both teams are very evenly matched.

If conditions are better than they were for the second semi-final I feel Williamstown might be able to turn the tables on Altona.

Competition best and fairest winner Jim Hynes, of Williamstown, will be presented with a trophy at half-time.

In open age matches Newport lost the double chance when they went down by 39 points to top team Altona.

Altona consolidated its position on top of the ladder with 68 points and a percentage of 272.25, just ahead of West Newport 68 (256.91).

Altona virtually won the match when they kicked 5-3 in the first quarter and managed to keep Newport scoreless. They repeated the dose in the third quarter being 42 points ahead at three-quarter time and then were able to hold Newport at bay in the final term.

Maidstone, WSFL premiers in 1967 and 68, tried valiantly to finish off what has been a poor season on a high note, but found Laverton a little too strong at the finish.

Although they had only 14 men and finished the match with 13 when Terry Challis went off in the last quarter, Maidstone actually hit the front at one stage of the third quarter.

But Laverton, ably led by coach Ken McKenzie, held sway in the final term and ran out winners by 69 points.

McKenzie, who has coached Laverton for the past six years, announced before the match he would be retiring at the end of this season, and the players banded together well for a victory to show their appreciation of his services.

Perhaps the highlight of this match was a curtain-raiser played between Laverton Under 11's and their Mums.

The only concession the youngsters gave their Mums was that the women were allowed to throw the ball instead of handballing it.

If this was not enough a deputation from the women at half-time declared they would not take the field in the second half if Johnnie Ansett and Peter Steve were not taken off.

The reason? The youngsters were too fast and the women could not catch them. The match was declared a 2-1 draw in a disputed decision!

Incidentally, the same Under 11 side beat Brooklyn 5-5 to nil in a preliminary final on the following Sunday and are confident of beating Kingsville this week in the grand final.

Joint leaders, West Newport, led fourth team Central Altona 9-14 to 2-6 at half-time, but they kicked very inaccurately in the second half to only run out winners 12-22 to 9-9.

In other matches Werribee led Point Cook for all the match excepting the last 15 minutes with the RAAF boys getting up for an eight point win, while Williamstown United won comfortably over Brooklyn, although the Brooks kicked their highest score for the season.

Werribee will hold their presentation night-dance at the RSL Hall this weekend. A car rally for the club's end-of-season trip to Warrnambool on August 19, will be held on Sunday.

In Under 18 matches leaders Altona A proved too strong for third team Newport, while West Newport (second) had too many big guns for Altona B (fourth).

Laverton registered their third win for the season when they beat Central Altona, but a poor percentage still earned them the title of wooden spooners.

# POWER SOCCER PLAYED BY ALTONA

Altona turned on power play on Saturday and Elwood-Austria, hoping for an easy win to move up to the leaders in Division 1, were split wide open as Billy Savage and Steve Herman raced around Elwood in many damaging moves.

Allan and Hynes saw to it they received a continual supply. Wasn't it good to see 17-year-old Ilias Iordanus, playing his first League game, move like a veteran. He slammed in two great shots as he moved with lightning speed in on goal. The Elwood's keeper's hands were warm as he palmed the ball away to save certain goals.

King, on two occasions, and Savage, on one, missed certain goals. King's miss on the goal line was incredible. Savage had pulled the keeper off the line, squared into an empty goal and booted past from the goal line — what a miss.

Savage followed this up by cracking one in from two yards out. However, an Elwood foot stuck out and another certain goal was saved.

Billy Ormerod and Craig Copley, Altona full backs, were moving right up into attack and Jim Balish, playing as good as ever saw to it Elwood never got a chance to settle down. However, half-time came and the Marroons hadn't a goal to show for all their pressure.

Steve Herman and Jimmy Allan, the two Altona linkmen, were putting in a power of work and Hynes was up along with them. Ellwood came right into

the game with one or two good moves and in one move they caught Altona flat-footed and the ball was in the net to put Ellwood one up.

Ian Hynes, Altona captain, harnessed the whole team into the close marking, hard tackling that dominated the whole field.

Iordanus came right into his own, chasing and challenging for every ball.

Then the "flying" Herman burst through the Ellwood defence, a pair of hands grabbed him and it was a penalty. Savage made no mistake as he thundered the spot kick home for the equalising goal.

Now it was all Altona. Allan floated over a good ball, Savage kicked the ball to King and he scored the winning goal.

It was a well-deserved victory and one which proves players can play hard. The Marroons have a reputation for being at their best when they are down.

Through injury and a lot of bad luck Altona had lost three games in a row. Now the team spirit is back the locals are back in business.

Keilor City, who are on top of the world after their great 3-1 win over Ringwood in the Cup, will have to be at their best when Altona visit them on Saturday.

# ALTONA TENNIS CLUB

Altona's top Under 19 team earned a berth in the grand final with a run away victory over a talented Spotswood side.

Altona got off to a great start by winning both the first boys and girls' sets.

Greg Findlay and Geoff Wood won 6-4 and Helen Shields and Suzanne Keown 6-1.

These two sets put a big dent in Spotswood's confidence and Altona finished easy winners, eight sets to one.

Of the other Altona teams in the semi-final, Section 4 was the most successful. They defeated Spotswood five sets to four, and 46 games to 31. Once again it was the first boys and girls' sets that wrecked Spotswood's chances.

In two great performances Tom Trueman and Shane Johnston won 6-0 and likewise did Susan Jeffrey and Roslyn Smith.

In the other sections Altona were not as successful. Section 1, No. 2 team, were beaten by a more experienced Liston side by 16 games.

The Section 2 side, with two of their main players missing, were no match for Liston-Esplanade.

Section 3, on the other hand, were very unlucky not to defeat Rosamond in tense battle. Although Altona won more sets than Rosamond they lost on games.

The best performances in this side were by the three boys, Alan Findlay, Brian Murphy and Jeff Hayes who won all their doubles.

Altona's teams for this week's preliminary finals are:

Section 3, No. 1, v. Footscray, at Rosamond.

A. Findlay, J. Hayes, B. Murphy, Emerg.: J. Bennett, J. Wise, B. Colvin, J. Burke, Emerg.: J. Colvin.

Section 4, No. 1, v. St. Monica's, at Diggers.

T. Trueman, S. Johnston, T. Ings, Emerg.: G. Whitecross, S. Jeffrey, W. Jeffers, R. Smith, Emerg.: L. Tracey.

Any player wishing to compete in this year's summer competition must be financial members before being considered for the teams.

Players are to hand in their names by no later than August 23, to either G. Wood (22 Millers Road) or G. Findlay (398-1048).

## Cricket Club Seeks Lads To Play

The Dog Night at Olympic Park is on August 31 and a night at the fights is being organised.

# ALTONA HOCKEY CLUB

C North defeated Brunswick, 3-1.

In a trial run for the finals Altona (third) played Brunswick (second) at Brunswick and won well.

Altona found the bumpy ground difficult and things looked grim when they were down 1-0 at half-time. However, a violent pep talk by Bill Smith sent the team out after the interval determined to redeem themselves.

A vigorous approach to goal forced a penalty flick which was converted by G. Blunt.

Gaining confidence Altona continued to press home the attacks and scored twice more to win convincingly.

The second half was grand final standard by Altona showing just what the team can do when everybody gives their best.

Best: R. Byrne, B. Smith, A. Willet, S. Cronin.

D North defeated Old Carey, 1-0.

In another hard-fought game, Altona once again came out 1-0 in front.

A great display by the Carey goalkeeper made it difficult to score goals even though Altona was doing well in mid-field play, and it was not until well into the second half that Cris Bruce finally broke through to score the only goal.

E GRADE

Altona, 3, defeated Melbourne University, 2.

Altona showed great fighting spirit when they fought back twice after being one goal behind. M. Schnyder flashed down the field to score the first equaliser — an excellent goal.

Good hockey by Melbourne University gave them the lead again and Altona looked set for defeat. The play started to get rough when J. Lawley goaled to level the scores again.

Just to finish things off properly W. Duncan limped into the circle to goal.

This was the best team effort for many weeks.

## SENIORS DEFEATED NARROWLY

First Quarter

The match was played in very blustery conditions.

Town started off with the advantage of the breeze and were quickly into attack but their kicking was often astray.

Flemington were capitalising on errors by Town's forwards to clear the ball.

Scores: Town, 15-11; Flemington, 1-1-7.

Second Quarter

CY's continued to gain a majority of the play but unfortunately most of it was wasted. Too often players were shortpassing on the forward line instead of going for the big kick.

Scores: Town, 2-9-21; Flemington, 4-4-28.

Third Quarter

Town's shocking inaccuracy continued in this term, but this could have been due to a close checking style of football played by Flemington which made it hard for Town's skilled footballers to star.

The one bright spot for CY's was that their back-line had been doing a sterling job.

Scores: Town, 5-12-42; Flemington, 4-6-30.

Final Quarter

Town were playing well but found it difficult to score against the wind. The backs were defending desperately, but everything seemed to be going Flemington's way.

With only five minutes to go, despite a great fight by Town, Flemington hit the front and ran out victors by nine points.

Scores: Williamstown, 5-13-43; Flemington, 7-10-52.

Best: W. Rosenzweig, T. Hynes, J. Zammit, P. Zamykal, L. Rosser, M. Ward.

Goals: R. Campbell 2, P. Zamykal, W. Rosenzweig, B. Moore.

## SECONDS SCORE MAMMOTH WIN

First Half

Commencing against the wind Town were soon combining together well and at the first change were more than four goals up.

In the second term Town played power football to kick 11 goals.

Half-time scores: Town, 15-15-105; Bentleigh, 0-2-2.

Second Half

Bentleigh gave a little more opposition in the third term but Town were still gaining a greater proportion of the play.

Town came out in the final quarter determined to finish full of running and the players finished the match with a fine exhibition of play-on football.

Final scores: Town, 26-29-185; Bentleigh, 2-3-15.

Best: C. Hill, S. Rieger, J. Dey, A. Boddington, B. Blott, D. Henry.

Goals: A. Boddington 7, C. Hill 5, S. Rieger 4, D. Henry 3, B. Blott 2, A. Michalowsky, J. Dey, R. Caruana, W. Dean, J. Zammit.

## THIS WEEK'S GAMES

On Saturday, August 15, Town will play Flemington at Murphy Reserve, Williamstown Road, Port Melbourne, in the second semi-final.

All supporters welcome.

In last week's round of games Williamstown were defeated by Newport for the first time since entering B Grade two years ago.

## FIRST IX

The Firsts fought it out to what could have been a 2-all drawn when an error in the outfield allowed the Newport side to score the winning run.

This game has put the side out of the final four with only a very slim hope of getting back in.

Safe hits: A. Harris 2, N. McLeod, P. Bowyer.

Scores: Williamstown, 2, lost to Newport, 3.

## SECOND IX

The Seconds fought it out to a 1-all draw against Newport in what was a very tight and tense game.

The side made more opportunities for themselves than the Newport side but just failed to capitalise on them.

Scores: Williamstown, 1, drew with Newport, 1.

## THIRD IX

The Thirds were all at sea against Newport who jumped right away to an early lead in the first dig but were held down for the rest of the game.

It was only errors in the infield that lost the game for Williamstown which has been suspect for them all year.

Safe hits: E. Poole 2, R. Cowmeadow, M. Woods, J. McMillan.

Scores: Williamstown, 1, lost to Newport, 12.

## SEMI-FINAL WIN

In their first year in competition, Les Hayes and his three sons, Jeff, Michael and Peter, representing Altona Tennis Club in C2 Grade in the Sunshine Table Tennis Association, managed to sneak into the four in the last home and away game by a small percentage.

Last week they played Spaldings in the first semi-final. Although favourites to win, Spaldings received the shock of their lives when, after leading 4 rubbers to 2 and with the match seemingly in their keeping, Altona fought back magnificently to win the next 4 rubbers straight and won the semi.

Les and Michael won 2 rubbers each out of three, with Jeff winning one and young 13-year-old Peter combined excellently with his father to win the vital second doubles.

This week, Altona play friendly rivals Maidstone in the preliminary final. This match should be a thriller as when these teams clashed during the season the two games were "cliff-hangers" and the match not being decided until the final rubber after both teams were 5 rubbers all.

On both occasions Maidstone won the deciding rubber to win 6-5. This time the Altona boys are confident of turning the tables.

# Great Win Over Newport

Altona City Football Club finished as League leaders and gained the double chance with a great win over Newport at Altona last Saturday in a game that provided everything as a football spectacle, with vigorous clashes, high marking and great play-on football.

## First Quarter

Altona's captain/coach, Dell York, won the toss and decided to take full advantage of the strong breeze favouring the Civic Parade goals.

Altona were soon into attack and looked a very determined and dedicated side.

Goals to Peter Brennan and "Darby" Munro made the home side look good in the first ten minutes of the game.

Tempers became frayed as both sides went in with no fear of personal safety.

Altona attacked repeatedly in this quarter with Chatfield and Lawson in every-thing.

A real pressure goal from Marty Crump just prior to the siren lifted the home side and even at this early stage they had their eyes on the second chance.

## Second Quarter

Newport were soon into attack but were kept out by the strong halfback line of Danny Brennan, Gordon McColl and "Wes" Jenkowitz.

Dell York and Morrie Tisdale took control at the centre bounce and with Austin Molloy roving tirelessly got the ball moving towards Altona's forward line.

A goal by new full forward Bob Campbell lifted Altona and they were more determined than ever to keep Newport out.

As the half-time bell rang Altona were 3 goals in front.

## Third Quarter

The atmosphere in the rooms at half-time was electric as Altona realised that if they could keep up the pressure the game would be won in this quarter.

Newport opened up this quarter with a fierce desire to keep Altona's forwards out with play see-sawing between their halfback flank and Altona's forward line.

At this stage Marty Crump put one through from a seemingly impossible angle which boosted Altona's morale.

Mention must be made of the untiring play of Pateras and Harris who cleared the ball whenever Newport looked dangerous.

At "orange time" Altona had a 40 point lead but with an eight goal wind they could not afford to relax.

## Final Quarter

Two goals in five minutes to Newport and things looked grim but Altona were not going to let this game slip from their grasp.

After a tenacious passage of play from Brennan, Lawson and Chatfield, Austin Molloy kicked a great angle goal which was quickly followed up by an equally superb effort from Zapart, who moved the ball at least 100 yards upfield, passed to Jim Rielly who made no mistake with a drop kick.

With one minute to go the game developed into an "all in" on Altona's backline which was unfortunate as the game had been reasonably open all day.

Altona were in attack when the final siren sounded, giving Altona top place on the League ladder and the coveted double chance.

Scores: Altona, 11-9-75; Newport, 5-6-36.

Best: S. Chatfield, R. Lawson, M. Tisdale, D. York, A. Molloy, J. Rielly and 12 others.

## SOCIAL NOTES

Don't forget the Supper Dance this Sunday (August 16) at the A.W.M.C. Tickets \$1 single, which includes supper. Dancing from 6 to 10 p.m. with the popular group "The Shades."

See Nev Drew, Dell York or Lou Thompson for tickets.

## UNDER 18

Newport, 7-8, lost to Altona City A, 13-12.

Kicking into a strong breeze City were 4 points ahead at the first change. This good start virtually won the match as at half-time City led by 29 points.

Both teams found the strong wind made the ball difficult to kick or mark cleanly and the bounce of the ball was unpredictable.

After the interval Newport came out to play with vigour and direction, showing Altona that they were pre-

pared to make the play. This caught City off balance and made it easy for Newport to use the open spaces.

Five minutes before three-quarter time Newport hit the front but heady play by two or three City players kept their side within striking distance at the last change.

In the last quarter City ran right away from the opposition to win well.

Best: K. Dern, W. Gates, H. Zapart, Morgan twins.

Goals: S. Chatfield 4, N. Courtot 2, W. Patton 2, J. Rosenboom, G. Wilson, S. Grainger, E. Valente, R. Gordon.

Practice will still be Wednesday 12th and Friday 14th this week with a practice match on Sunday morning (16th) and Wednesday and Friday next week.

All players of both A and B teams are to attend training (even if unable to train) to finalise all arrangements.

West Newport, 6-9-45, defeated Altona Rebels, 1-6-12.

Kicking against the wind Newport did not score in the first quarter, but Rebels only managed 1-3.

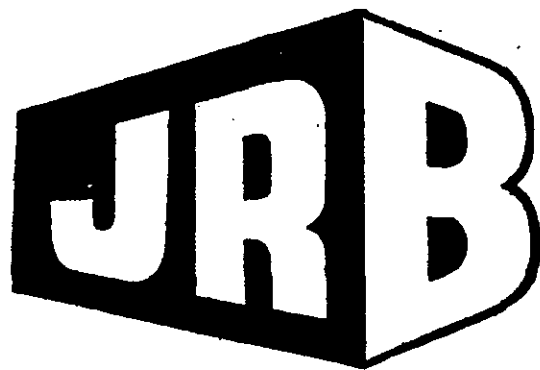

Newport, with the wind in the second quarter, kicked 3-4 to virtually seal the game. Merv Beer kicked the only goal for Rebels.

Best: Pratt, Roest, Scarff, Martin, Vanderpoel.

# Williamstown Squash Club

With the season now completed the club finished with two pennants, one runners-up and one team reaching the preliminary final.

The B Grade side could not manage to get over the hurdle of the N.S.C. side, and so their run finished at the preliminary final.
